Continue onto N. Elephant Butte Road, a small dirt road (like you're driving beside the golf course). The road is rough for the first quarter mile but gets better. Follow Elephant Butte Rd left around the golf course, winding north for about 2.75 miles. Watch for rocks with the CCR Logo painted on them in white. Portions of the road are rough but passable in most passenger cars, we recommend you go slowly and proceed with caution to the green metal gate on the left.

Open our green metal gate, enter, then close the gate behind and continue to the ranch house at the end of the drive.

RV's must stop at the first building for check in.
